\$1000 Deposit Required to book any of the hunts above

- Bull Moose Hunt \$4500

Give us a call if you have moose preference points established.

All the above hunts are conducted by horseback with a full time cook, 50 head of horses and mules, 2 hunters per one guide, wood stoves and canvas tents - a guaranteed wilderness experience.

We are always excited about our upcoming season. We consider ourselves Elk specialists and we are very aware of what the traveling Elk hunter expects.

The hunts above are booked on a first come basis and they usually book up fast. Looking forward to hearing from you.

I appreciate you inquiring about a hunt with Swift Creek Outfitters and hope to see you on the mountain. Remember a good Outfitter is one who provides a service to the client for the species and size he desires. Please feel free to call me at any time. I enjoy talking with my hunters and will try to ensure your trip is planned out properly.

Thanks,

PREFERENCE POINTS & LICENSES

Wyoming's preference point system is working well for Swift Creek Outfitters. This will be the 6th year that a preference point will be able to be used for obtaining a license for elk and deer. For you hunters who are planning on hunting Wyoming with us need to really pay attention in getting your preference points bought. We have been watching the system real close and the way it has been working in our areas one preference point will obtain you a license other than for moose and sheep.

I can't stress it enough to get your preference points bought and get booked early. Some hunters are booking two years in advance with the preference point system working in their favor.

We handle all applications and paper work through our office. After you book your hunt and we have deposit in hand every bit of the application process will be handled by us and sent back to our address.

Wyoming Application Deadlines	
Elk	Jan. 31
Deer	Mar. 15
Moose	Feb. 28
The deadline dates mean that we have to have your applications in Cheyenne at 5:00 o'clock of that business day.	

License Fees	
Elk Special	\$1,071.00
Elk Regular	\$591.00
Deer Special	\$566.00
Deer Regular	\$326.00
Moose	\$1,416.00

The special license with one preference should draw 100% in General License Elk areas.

Elk Preference Point Fees:	\$50.00
Deer Preference Point Fees:	\$40.00
Moose Preference Point Fees:	\$75.00

Preference Point Only Application Period is July 1st thru September 30th.

Archery License Fee:	\$25.00
Feed Ground Stamp:	\$12.50
Conservation Stamp:	\$12.50

These fees only apply when you draw a license and get ready to go into the field
--

If you have any questions about Preference Points and Fees, please call.

Airports and Travel

We will pick you up free of charge from the Jackson Hole Airport and take you to the trail head and back. Most of my hunters flying into Jackson Hole will use a taxi from the airport to the Anvil Hotel, and that is where we usually meet our clients. It is always better to fly or drive in a day early and get some rest before your hunt begins.

Flights

It is always better to book your flights a few months earlier to ensure a better rate, especially if you are flying into Jackson Hole. The Jackson Hole Airport is the most convenient fly-in destination. Just make sure as soon as you draw your tag you start booking flights.

Taxidermy and Meat Processing

We will find you a good Taxidermist if need be, but we recommend you taking your trophy home if possible. Meat processing can be done in Jackson within 12 hours of your flight departure. All boxes are weighed out in 70 lb. boxes and dry iced ready for travel. Your meat will be cut exactly the way you want it and packaged for the amount of people in your family.

Tips

All big game hunting guides have a lot of responsibility and hard work every day. They depend on tips to make guiding worth while. A \$250.00 minium tip is an average tip, but if you feel your guide put out extra effort and especially if you killed a Trophy Bull Elk then you decide from there. Remember to tip the cook! Minimum \$50.00.

Grizzly Bear Pepper Spray

If you are booked on any of the Archery Hunts we advise that you purchase a can of Pepper Spray. Rifle hunters can also have trouble with Grizzlies, but we let them decide on whether they want to make the purchase or not. Most Pepper Spray canisters with holsters will cost \$40.00 to \$50.00 and can be bought at almost any sport store.

Deposits and Payments

In order to book any of the hunts on the hunt schedule a \$1000.00 deposit is required up front.

The hunts will be booked on a first come first served basis. with the preference point system now in place you should be able to obtain a license for the year you wish to book.

When you have received notification from your outfitter that you have a license then at that time a \$1500.00 2nd payment is required. Normally the elk drawing is in the first week of march.

Personal checks will be accepted for the \$1000.00 deposit and \$1500.00 2nd payment or for any pre-payments. Only cash or cashiers checks will be accepted upon arrival. **Because of Guide commitment, we are requiring final payment on hunts by August 25.**

The total price for the hunt covers everything except license fees, taxidermy work, meat processing and your personal gear.

Deposits are only sent back if you are unsuccessful in any drawing or in case of death.
