Airports and Travel

We will pick you up free of charge from the Jackson Hole Airport and take you to the trail head and back. Most of my hunters flying into Jackson Hole will use a taxi from the airport to the Anvil Hotel, and that is where we usually meet our clients. It is always better to fly or drive in a day early and get some rest before your hunt begins.

Flights

It is always better to book your flights a few months earlier to ensure a better rate, especially if you are flying into Jackson Hole. The Jackson Hole Airport is the most convenient fly-in destination. Just make sure as soon as you draw your tag you start booking flights.

Taxidermy and Meat Processing

We will find you a good Taxidermist if need be, but we recommend you taking your trophy home if possible. Meat processing can be done in Jackson within 12 hours of your flight departure. All boxes are weighed out in 70 lb. boxes and dry iced ready for travel. Your meat will be cut exactly the way you want it and packaged for the amount of people in your family.

Tips

All big game hunting guides have a lot of responsibility and hard work every day. They depend on tips to make guiding worth while. A $350.00 minimum tip is an average tip, but if you feel your guide put out extra effort and especially if you killed a Trophy Bull Elk then you decide from there. Remember to tip the cook! Minimum $50.00.

Grizzly Bear Pepper Spray

If you are booked on any of the Archery Hunts we advise that you purchase a can of Pepper Spray. Rifle hunters can also have trouble with Grizzlies, but we let them decide on whether they want to make the purchase or not. Most Pepper Spray canisters with holsters will cost $40.00 to $50.00 and can be bought at almost any sport store.

Deposits and Payments

In order to book any of the hunts on the hunt schedule a $1000.00 deposit is required up front.

The hunts will be booked on a first come first served basis.

When you have received notification from your outfitter that you have a license then at that time a $2000.00 2nd payment is required. Normally the elk drawing is in the first week of march.

Personal checks will be accepted for the $1000.00 deposit, $2000.00 2nd payment in March, and final August payment. **Because of Guide commitment, we are requiring final payment on hunts by August 15.**

The total price for the hunt covers everything except license fees, taxidermy work, meat processing and your personal gear.

Deposits are only sent back if you are unsuccessful in any drawing or in case of death.
